Get Ready for the 2025 CU Innovation & Efficiency Program! [1]

The OUC is getting ready for our 2025 employee recognition program. This year, this includes reaching out directly to campus departments to promote awareness of the CU Innovation & Efficiency (CU I&E) Awards Program.

EAT RIGHT
RIGHT HERE

Our first stop on our campus tour was the Anschutz Medical Campus, this week, for their annual Block Party. Our Digital Design team (they're the ones who create all the great CU I&E videos) had a great time: catching up with colleagues we haven't seen in person for several years ... talking to employees about innovative work in their departments ... and -- oh yes! -- playing Plinko for CU I&E prizes.

It was a terrific day! We look forward to planning additional onsite CU I&E promo events at the other campuses.

The CU Innovation & Efficiency Awards Program will start accepting submissions on February 1.

- Now is the time to start thinking about it!
- Have you (or someone you know) done something above and beyond to improve customer service ... communication ... a specific business process?

Get ready to tell us about it!

- The award program accepts submissions February 1- March 31 each year.
- Tell us about your innovation [2] and we'll share it with CU.
- You may even win a cash prize!
