Normandy Roden - CPE Instructor [1]

Normandy Roden is the Director of Financial Services & Solutions (FSS) within the Office of University Controller, University of Colorado. FSS is charged with helping employees and affiliates understand their fiscal roles and fulfill their fiscal responsibilities through policy development, communication, system training, and 1:1 consultative services.

Normandy has Bachelor's and Master's degrees from the University of Wisconsin-Madison. She has also completed a number of leadership, interpersonal communication, and train-the-trainer certificate programs. If you were to see Normandy in a bookstore (online or within walls), you would most likely find her in a section focusing on leadership, emerging technology, strategic thinking, communication theory, or language.

Prior to coming to CU, Normandy worked at a private marketing firm in Boulder, as professional development coordinator for Educause, and as Curricular Programs Manager for UW-Madison. Volunteerism includes many years as a licensed emergency medical technician (EMT), disc jockey (international/ethnic music), and advocate-donor (service agencies for children and at-risk teens).
