

## **CPE Class: Enhance your Virtual Presentation Skills** <sup>[1]</sup>

July 2021

The Office of University Controller is pleased to announce a new Continuing Professional Education (CPE) webinar on Thursday, July 15.

The [Virtual Presentations](#) <sup>[2]</sup> class is the fourth module in our professional development series on Presenter Certification. This webinar guides you through the why and how of delivering powerful and engaging experiences online. Whether you host staff meetings for small groups of ten ... or conference sessions for audiences of hundreds ... you'll find something to help you improve the quality of your next virtual event.

Course information and sign-up links are available now on our [CPE Schedule and Registration page](#) <sup>[3]</sup>.
