UNIVERSITY OF COLORADO SAMPLE TAX & GIFT PURPOSE WORDINGS FOR FUNDRAISING EVENTS Mailings / Invitations / Announcements

The sample information below may be modified. At a minimum, the information provided should clearly disclose:

- the purpose(s) for which funds are being solicited;
- the beneficiary of the gift is the University of Colorado; and
- the estimated Fair Market Value (FMV) of goods and/or services available to the donors (the “non-gift” portion) in exchange for the contribution.

The information may be combined together as desired. The stated purpose for which the funds are being raised is important because the net proceeds (of the event) may only be transferred to an SpeedType having the same purpose. The organizational unit should determine, prior to public material distribution, the appropriate University SpeedType or supporting foundation pure endowment to which the net proceeds will go. The University cannot conduct a fundraising event for a supporting foundation unless the fundraising event is intended to add to a pure endowment (not a quasi-endowment) that is legally owned by a supporting foundation and such facts are clearly disclosed on all public materials.
