Employees and Type 15/31 POIs have access to Concur.

To approve travel/expense reimbursement reports: You must be either (1) the employee’s HR Supervisor or (2) have a fiscal role of org/program/project principal/fiscal manager on a SpeedType, or have a role as SpeedType Fiscal Staff Approver. (This is based on the SpeedType identified in the header of the expense report.) For Gift Fund (34) SpeedTypes, see the Gift Fund tab for training requirements.

To approve Procurement Card expense reports: You must be the cardholder’s Procurement Card Approving Official (see Procurement Card section).

Employees and Type 15 POIs can obtain access. You can run m-Fin reports in CU-Data if you have a fiscal role on a SpeedType or if you have access to the Finance System. For more information, see the PeopleSoft Finance tab.

Your campus controller’s office may offer in-person training on how to run and read m-Fin reports – see campus links on the PeopleSoft Finance tab. For online learning resources, see m-Fin Reports Training [4].

The Office of University Controller offers courses on CU-Data to help CU CPAs meet their continuing educational requirements and to help all employees understand and fulfill their fiscal roles and responsibilities. View the Schedule and Registration page [5] for a listing of campus and online courses.

Employees and Type 15 POIs can request access. As detailed below, certain roles (Fiscal Approver, Invoice Approver, and Fiscal Approver IA)
require that you have a fiscal role on a SpeedType, for more information see the PeopleSoft Finance tab. To approve Fund 34 expenses in CU Marketplace: Also see the Gift Fund tab for training requirements.

Complete the required trainings. Then request system access [6].
