CU Alumni Outcomes [1]

Back to Budget and Finance Office [2] or CU Data Made Simple [3]

ABOUT THIS VISUALIZATION: This data visualization combines data from Equifax with student data from the University of Colorado to offer high level estimates of income, wealth, debt, and credit attributes for CU graduates since 1990. This data visualization was created by the CU System Institutional Research. Additional details are provided below and within the visualization.

ABOUT ALUMNI OUTCOMES: To better understand graduate performance and our own institutional effectiveness, CU System Institutional Research partnered with Equifax Ignite® for Graduate Outcomes to get aggregate, high level estimates of income, wealth, debt, and credit attributes for CU graduates since 1990, which provides a more holistic view of the financial health of our CU alumni.

Should you have questions or comments on this data, please contact IR@cu.edu [4].

Visualization is formatted for a generic desktop (1366x768 resolution). If you are using a smaller screen, use this link [5].
