Careers Homepage Panel - CU Denver
Educating more than 15,000 students on our comprehensive campus in downtown Denver, the campus is a major force in the Denver community. With projects such as Boots to Suits supporting veterans transitioning to new careers, and the Learning Landscapes program that helped transform all 97 Denver Public Schools elementary school playgrounds, the community impact is unprecedented.

The campus hosts more than 800 international students a year and employs more than 1,000 faculty members.
