Demographics Report Interactive Data [1]

Back to Budget and Finance Office [2] or CU Data Made Simple [3]

ABOUT THIS VISUALIZATION: This data visualization summarizes enrollment, application, and degree data from the CU Demographics Report. Data is available for each CU campus across each type of data, providing demographic details for race/ethnicity, sex, disability status, veteran status, first generation, and Federal Pell recipients. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization. This data is updated annually in late May or early June.

To download the newest complete Demographics Report, which includes additional data and narratives, visit the Office of Collaboration website at https://www.cu.edu/collaboration [4]

Should you have questions or comments on this data, please contact IR@cu.edu [5].

Visualization is formatted for generic desktop resolution (1366x768 resolution). If you are using a smaller screen, use this link [6].
