ABOUT THIS VISUALIZATION: This data visualization summarizes U.S. earnings and unemployment rates by educational attainment provided by the Bureau of Labor Statistics (BLS). The Unemployment Rate is the number of unemployed individuals divided by the sum of employed and unemployed. This data visualization was created by the CU System Institutional Research. Additional details are provided within the visualization.

Should you have questions or comments on this data, please contact IR@cu.edu.

Visualization is formatted for 1600x900 resolution. If you are using a smaller screen, use this link hosted on tableau.com.

Earnings and Unemployment

MORE EDUCATION LEADS TO BETTER PROSPECTS FOR EARNINGS AND EMPLOYMENT.
