eComm Groups [1]

eComm Groups

Select a group for more information.

eComm Team (MECs)

'MECs [2],' short for 'Manager of Electronic Communications' (aka 'eComm specialist'), is a team of six. While physically located on different campuses, at the system or CU Advancement, MECs work closely with each other to ensure consistency and share resources. MECs meet monthly and post agendas and minutes here [3].

Campus User Groups

MECs each lead a campus user groups:
CU-Boulder [4] | UCCS [5] | CU Denver [6] | Anschutz Medical Campus [7] | [6]

Harris User Group (HUG)

The Harris User Group (HUG) [8] is an open community of Harris clients that work together to ensure the Harris applications are meeting client needs. Visit the HUG website [8] to post an idea for a product enhancement.
