PCI compliance acceptance [1]

To ensure compliance with Payment Card Industry Data Security Standards (PCI-DSS) and university policy, please complete this short form to let us know that your unit has discontinued any non-compliant activities. *PCI Compliance means your unit cannot enter credit card information via a CU-owned device (computer, laptop, phone, etc.). Learn more at www.cu.edu/ecomm/pci [2].*

First name *

Last name *

Email address *

I am a:

○ Cvent user

○ a colleague of a Cvent user who assists with registration (eg; student worker, secretary, etc.) and who would take registration information over the phone or process mail-ins, etc.

What kind of events do you host? *

○ I host paid events and use the CU Cvent "CU Events" merchant account

○ I only host free events and don't ever use the CU Cvent "CU Events" merchant account

○ I only host fundraising events don't ever use the CU Cvent "CU Events" merchant account

○ I host paid events but collect cash/checks and don’t ever use the CU Cvent “CU Events” merchant account

Are there others in your unit who assist with event registration? *

○ No, I'm the only one.

○ Yes, I will provide his/her name below.

Do you have other colleagues who assist with registration (eg; student worker, secretary, etc.) and who would take registration information over the phone or process mail-ins, etc.? Or, is there someone who should also understand PCI compliance but who might not be a Cvent user? This might be an events manager or your supervisor, etc.

Name (first and last) of colleague who assists with event registration

Event approver email address

Is the event approver a Cvent user?

○ Yes

○ No

I confirm that I understand PCI compliance and that my unit is compliant.

☐ I confirm
