Disability Insurance \[1\]

CU’s short-term and long-term disability insurance plans provide you with some income in the event that you are unable to work due to illness, injury or pregnancy. Both plans will replace 60% of your income up to a specified maximum per week or month.

There is a waiting period between the time you become disabled and the time the benefit starts paying, during which unused sick leave must be exhausted and unused vacation can be used.

[FACULTY & UNIVERSITY STAFF]
