

Classified Staff ^[1]

As a Classified Staff member, you have short-term and long-term disability insurance options. Disability benefits are administered by The Standard Insurance Company.

Short-term disability: Short-term disability is provided to eligible employees. CU will automatically enroll you, and the benefit is effective the first day of your benefits eligibility. Premiums are paid by CU, and income benefit is taxable should you file a claim.

Long-term disability: Your enrollment is optional, and you may apply at any time during the year. You will pay for premiums, and the income benefit is not taxable should you file a claim. Long-term disability is subject to approval by The Standard Insurance Company.

To apply for long-term disability, you must work at least 30 hours a week and be subject to Evidence of Insurability (EOI) by The Standard Insurance Company. EOI means an applicant must:

2. Undergo a physical examination, if required by The Standard Insurance Company (may include blood testing)
3. Provide any additional information about the applicant's insurability required
