Kaiser [1]

Under this Kaiser-administered plan, you can choose any healthcare provider within one single statewide network. It is recommended that you select a Primary Care Physician to direct your care. In most cases, referrals are required. However, you may self-refer to certain specialists. In place of a deductible, enrollees will be responsible for a copay for medical visits, diagnostic testing and hospital/facilities services.

Out-of-network care is not covered except for emergency and/or urgent care.
