Voluntary Retirement Savings Plans [1]

Grow your retirement savings with CU’s voluntary plans.

Want to put more money aside for your retirement? CU’s three voluntary retirement savings plans are a great way to supplement your basic retirement plan. You can enroll or adjust your contributions at any time, fees are low and each plan gives you the flexibility to choose your own investments or have specialists do it for you.

Note: You can enroll in any of the voluntary plans, whether you qualify for a mandatory retirement plan or not. You make all plan contributions and assume investment risks and rewards.
