Tuition Assistance [1]

As a leader in education, we value strong, curious minds and continued growth – not just for our students, but also for our dedicated workforce.

That's why we provide tuition assistance to qualified employees and dependents. Do you want to grow your expertise in your career field? Does your spouse or child plan to earn a degree? Is there a subject you'd just love to know more about? Whatever your goals, we're here to support you and to help you save money.

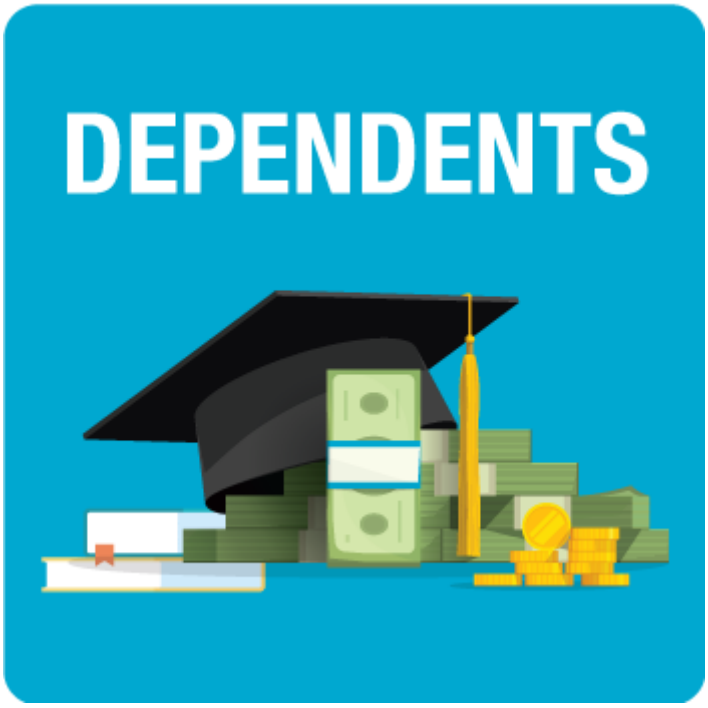

Highlights of the Tuition Assistance Benefit include:

- Benefits-eligible employees and dependents may receive up to 12 credits waived per academic year.
- CU Boulder students who are dependents of CU Boulder employees receive a 40% discount each semester.
- Employees and dependents can use the Tuition Assistance Benefit simultaneously in the same academic year and during the same semester.

Tuition Assistance Benefit can be used by you, the employee, or you may transfer it to your dependent(s). **Employees must fill out a Tuition Assistance Benefit application each semester they intend to use it for themselves and/or their dependents.**
