What is an FSA?
FSA (Flexible Spending Account) is a tax-savings account set up by you to pay for certain qualifying expenses on a pre-tax basis, meaning before they are made subject to payroll taxes. [2] allow you to set aside money for certain expenses (medical, child care/elder care costs). You don't pay taxes on this money, meaning you'll save an amount equal to the taxes you would have paid. Accounts are subject to a "use-it-or-lose-it" rule each year. [3]
CU offers programs designed to give you tax advantages that offset health care and dependent care costs.
