How to Enroll [1]

You may be eligible for a range of medical, dental, vision, life and disability insurance benefits. You must choose whether to enroll in or waive your offered benefits within 31 days of your hire date.

Some benefits will enroll you automatically if you take no action, so please review all your options. You can easily waive or enroll in your benefits by using the benefits enrollment tool in your employee portal [2].

As a new hire, your elections will remain effective for the remainder of the plan year (July 1–June 30).

Need help choosing your benefits? Visit the Payroll and Benefits Orientation page [3] to find videos, guides and other resources to guide your decisions.

Step 1: Log in to the employee portal.

Access your campus portal at my.cu.edu [4], select your campus, and enter your username and password. You may also find campus-specific assistance with your user ID and password [5].

Once you have logged in to the portal, select the CU Resources tab. (If you do not see a CU Resources tab, it is your homepage.)

On your homepage, select the Benefits and Wellness tile.
Select **Benefits Enrollment.**
Step 3: Authenticate your identity

When you try to access a protected page in the portal's CU Resources area, a page like the one below will appear. You will be asked to authenticate your identity.

You will have authentication two options: Receive a phone call or receive a text message with a passcode.

Option 1: Receive a phone call
From the Device drop-down menu, select the phone number where you wish to be contacted.

Click the Call Me button.
Answer the call, then press any key on your phone to log in.

The protected page will open.

Option 2: Receive a text message with a passcode

From the Device drop-down menu, select the phone number where you wish to be contacted.
Click the **Enter a Passcode** button.

A blue bar will appear on the screen. Press the **Text me new codes** button.
You’ll receive a text message from CU with a passcode.

Enter the passcode and press the Log In button.

The protected page will open.

**Step 4: Follow the steps on the activity guide**

Note: You'll need to read and accept the Acknowledgement before you can begin selecting your benefits.
Step 5: Choose your plans

All benefits plans for which you are eligible will be listed. On each tile, click the **Review** link to see your options, enroll, change or waive benefits plans, and select a Primary Care Provider (PCP).
