How to Enroll [1]

You may be eligible for a range of medical, dental, vision, life and disability insurance benefits. You must choose whether to enroll in or waive your offered benefits within 31 days of your hire date.

Some benefits will enroll you automatically if you take no action, so please review all your options. You can easily waive or enroll in your benefits by using the benefits enrollment tool in your employee portal [2].

As a new hire, your elections will remain effective for the remainder of the plan year (July 1–June 30).

Step 3: Authenticate your identity

When you try to access a protected page in the portal's CU Resources area, a page like the one below will appear. You will be asked to authenticate your identity.

**Step 4: Follow the steps on the activity guide**

Note: You’ll need to read and accept the Acknowledgement before you can begin selecting your benefits.

What happens if a **GME medical intern, resident or subspecialty fellow** takes no action

CU's plans will act as your primary health coverage to any other health care plans you may already have. If you do not want this coverage, you must waive it (see Step 4).

Eligible employees will also be enrolled in a mandatory retirement plan. Please visit our retirement plan page [7] for more information.
