CU Health Plan - Vision

The voluntary Anthem Blue View Vision Plan covers annual eye exams for a $20 copay. Copayment (copay) A fixed-dollar amount that you must pay out of your pocket at the time of service to a provider or a facility for a specific health covered service. Copays do not apply to the deductible requirement. For example, an office visit may have a copay of $30 under the Exclusive Plan and $40 under the Extended. You must pay the amount at the time of service. [2], as well as $155 towards the yearly purchase of frames or contact lenses, for each participant. Your choice of providers Provider An individual or facility that provides health care services such as a doctor, nurse, chiropractor, hospital, rehabilitation center, etc. [3] is extensive. In-network In-Network The providers, facilities and suppliers that CU Health Plans have contracted with to provide health care services. [4] providers Provider An individual or facility that provides health care services such as a doctor, nurse, chiropractor, hospital, rehabilitation center, etc. [3] across the U.S., include retail locations such as LensCrafters, Pearle Vision and Target Optical. You may also utilize out-of-network Non-participating providers or facilities that do not enter into a network agreement, usually resulting in higher out of pocket expenses to you. [5] providers Provider An individual or facility that provides health care services such as a doctor, nurse, chiropractor, hospital, rehabilitation center, etc. [3] but will pay a little more.
