Dental Plans [1]

CU’s two Delta Dental plans — Essential Dental and Choice Dental — offer extensive coverage with affordable deductibles [2] and coinsurance payments [3] to keep you and your family smiling bright.

Regardless of which plan you choose, you will have the following coverage:

- 100% preventative care coverage
- Four yearly cleanings (regular and periodontal)
- Two yearly oral exams
- Two fluoride treatments
- Right Start 4 Kids Program [4]: Kids, ages 0-12, who are enrolled receive 100% coverage, excluding orthodontic services. Orthodontic Coverage [5]: A treatment that aligns a person’s teeth, which may include the use of braces.

Dual Coverage: You cannot be covered as both an employee and dependent for any CU medical, dental or vision plan.
