Dental Plans [1]

CU’s two Delta Dental plans — Essential Dental and Choice Dental — offer extensive coverage with affordable deductiblesDeductibleAn amount that you are required to pay before the plan will begin to reimburse for covered services. [2] and coinsurance payments
CoinsuranceThe portion of expenses that you have to pay for certain covered services, calculated as a percentage. For example, if the coinsurance rate is 20%, then you are responsible for paying 20% of the bill, and the insurance company will pay 80%. [3] to keep you and your family smiling bright.

Regardless of which plan you choose, you will have the following coverage:

- 100% preventative care coverage
- Four yearly cleanings (regular and periodontal)
- Two yearly oral exams
- Two fluoride treatments
- **Right Start 4 Kids Program** [4]: Kids, ages 0-12, who are enrolled receive 100% coverage, excluding orthodontic services. Orthodontic CoverageA treatment that aligns a person’s teeth, which may include the use of braces. [5]

Dual Coverage: You cannot be covered as both an employee and dependent for any CU medical, dental or vision plan.

Before or After Tax?

Decide how monthly premiums are determined. Typically, the monthly cost to participate in the plan is shared between the employee and the employer. Premiums are deducted from your monthly paycheck. Learn more about deductibles, coinsurance, orthodontic coverage, and more.
