This page provides details about the 2025–26 short-term and long-term disability insurance for Classified Staff. To learn about the 2026–27 disability insurance plans, visit the [Open Enrollment Disability Insurance page for Classified Staff](#) <sup>[2]</sup>.

As a Classified Staff member, you have short-term and long-term disability insurance options. Disability benefits are administered by The Standard Insurance Company.

**Short-term disability:** Short-term disability is provided to eligible employees. CU will automatically enroll you, and the benefit is effective the first day of your benefits eligibility. Premiums are paid by CU, and income benefit is taxable should you file a claim.

**NOTE:** Employees who are eligible for CU FAMLI leave should be aware that FAMLI leave is the first payer during an employee's qualifying leave of absence. Any eligible Short-term Disability benefits will be automatically offset (reduced) by an employee's FAMLI wage replacement benefit, even if the employee does not apply for CU FAMLI.

**Long-term disability:** Your enrollment is optional, and you may apply at any time during the year. You will pay for premiums, and the income benefit is not taxable should you file a claim. Long-term disability is subject to approval by The Standard Insurance Company.

To apply for long-term disability, you must work at least 30 hours a week and be subject to Evidence of Insurability (EOI) by The Standard Insurance Company. EOI means an applicant must:

1. Sign and send the [Medical History Statement](#) <sup>[3]</sup> to The Standard Insurance Company .
2. Undergo a physical examination, if required by The Standard Insurance Company (may include blood testing).
3. Provide any additional information about the applicant's insurability required.

The Standard Insurance Company will notify you and CU if approved/denied.
