How to Enroll

Welcome to the University of Colorado! As a new employee, you may be eligible for a range of medical, dental, vision, life and disability insurance benefits. You must choose whether to enroll in or waive your offered benefits within 31 days of your hire date.

Some benefits will enroll you automatically if you take no action, so please review all your options. You can easily waive or enroll in your benefits by using the benefits enrollment tool in your employee portal. As a new hire, your elections will remain effective for the remainder of the plan year (July 1– June 30).
