## Effect on Social Security

Cafeteria planCafeteria PlanA plan that meets the requirements of IRS Code Section 125 and offers participating employees certain non-taxable benefits, such as the Premium Only Plan and flexible spending accounts [24] dollars are deducted from your pay pretax, meaning before federal, state, Social Security and Medicare taxes are paid. Participating in cafeteria plans Cafeteria PlanA plan that meets the requirements of IRS Code Section 125 and offers participating employees certain non-taxable benefits, such as the Premium Only Plan and flexible spending accounts [24] reduces the salary on which annual contributions to Social Security are calculated, which may result in a reduction of the Social Security benefits received at retirement. The reduction is minimal and you may wish to discuss it with your tax advisor.

## Effect on PERA

If you are a PERA member on or before June 30, 2019: Cafeteria planCafeteria PlanA plan that meets the requirements of IRS Code Section 125 and offers participating employees certain non-taxable benefits, such as the Premium Only Plan and flexible spending accounts [24] dollars are deducted from your pay pretax, meaning before federal, state, and Medicare taxes are paid. Your PERA retirement annuity or disability retirement is based on

your PERA Highest Average Salary (HAS) calculation. Since cafeteria plans reduce the salary on which PERA calculates benefits, your PERA retirement benefits may be reduced.
