In addition to providing each eligible employee with a basic-term life insurance policy, at no cost, CU offers benefits-eligible employees the ability to purchase additional coverage.

With each policy, benefits are payable to your named beneficiaries in the event of your death. Benefits may also be payable to you (the covered member) for losses other than life including loss of hand, foot, sight, speech, hearing, paralysis or certain other losses caused by an accident.

Dual Coverage: A member may be insured as both a member and a spouse up to a maximum combined life insurance of $1,000,000. A child may be insured by more than one member.
