Medical Plans [1]

Regardless of which plan you choose, you will have the following coverage:

- **Preventative care** - Medical Care: A routine health care check-up that will include tests or exams, flu and routine shots, and patient counseling to prevent or discover illness, disease or other health problems. All recommended preventive services would be covered as required by the Affordable Care Act (ACA) and applicable state law. [2] is fully covered: no deductible.

- **Deductible** - An amount that you are required to pay before the plan will begin to reimburse for covered services. [3], no copay.

- **Copayment (copay)** - A fixed-dollar amount that you must pay out of your pocket at the time of service to a provider or a facility for a specific health covered service. Copays do not apply to the deductible requirement. For example, an office visit may have a copay of $30 under the Exclusive Plan and $40 under the Extended. You must pay the amount at the time of service. [4]. Zero. Zip. Zilch.

- **Emergencies** - Care that is covered (copays) in and outside the U.S.

- **Affordable prescription drug prices** from Anthem [8] and Kaiser Permanente [9].

Dual Coverage: You cannot be covered as both an employee and dependent for any CU medical, dental or vision plan.
