Medical Plans [1]

Regardless of which plan you choose, you will have the following coverage:

- **Preventative care** - Medical check-up that will include tests or exams, flu and routine shots, and patient counseling to prevent or discover illness, disease or other health problems. All recommended preventive services would be covered as required by the Affordable Care Act (ACA) and applicable state law. [2] is fully covered: no deductible [3], no copay [4].

- **Emergencies** are never planned. That’s why all urgent [5] and emergency care [6] is covered (copays) [4] may apply), both in and outside the U.S. Decide where you should go to receive care here [7].

- **Affordable prescription drug prices** from CVS Caremark [8] and Kaiser Permanente [9].

Dual Coverage: You cannot be covered as both an employee and dependent for any CU medical, dental or vision plan.
