Payroll and Benefits Orientations

We want you to feel knowledgeable and confident when you choose your University of Colorado benefits package and receive your first paycheck. The Payroll and Benefits Orientation (PBO) will help you become familiar with your CU benefits and pay options. We'll cover medical, dental, vision, life, disability, HSA, FSA and retirement savings options as well as details to get you ready for pay day. If you have questions, our benefits professionals can provide answers to inform your decisions. We can also refer you to personalized help, whether it's in person or over the phone.

It's part of our commitment to providing you quality benefits and ensuring you make the most of them. As we like to say, you’re all about CU, and we’re all about you.
