Payroll & Benefits Orientations

Starting a new job can be overwhelming. Choosing a benefits package and understanding your pay doesn’t need to be.

We want you to feel knowledgeable and confident when you choose your University of Colorado benefits package and receive your first paycheck. To help you make informed, confident choices with your benefits, we’ve put together a series of video guides highlighting each of your benefits.

The guides and courses below can help you become familiar with your CU benefits and pay options—covering medical, dental, vision, life, disability, HSA, FSA, and retirement savings options as well as details to get you ready for pay day. It’s part of our commitment to providing you with quality benefits and ensuring you make the most of them. As we like to say, you’re all about CU, and we’re all about you.
