

Retiree Billing ^[1]

Pay for your benefit premiums either by check or bank transfer.

If you are enrolled in a retiree or surviving spouse benefits plan(s) and owe monthly premiums, you will be billed monthly for the month prior. For example, September premiums will be billed in October.

If you have elected to receive your billing statement detailing the cost of your benefits plans, it will arrive the first week of every month via email or to your mailing address on file with CU.

You have the option to receive your monthly billing statement via email or postal mail. Please reach out to benefits@cu.edu ^[2] to indicate or change your billing references.
