Portal Tasks [1]

Everything you need as a CU employee is at your fingertips when you access the employee portal, my.cu.edu [2]. With a modern, user-friendly design, it’s easy to find important information—from your pay stubs to your required online training.

**Here's a quick guide to completing common tasks within the portal.**

In most cases, there are two ways to access any piece of information within the portal: through the NavBar located on the upper right of the screen, and via the six featured tiles in the main body of the portal home page. To help protect you and your personal information, you'll be prompted to verify your identity when accessing items such as tax forms and direct deposit selections. Learn more [3].

**View my pay stub.**
View your pay stub via the **Pay Advice** link within the **My Info and Pay** menu or within the **My Compensation** tile in the middle of the screen.

### Sign up for Direct Deposit.

1. Find the **Direct Deposit** button within the **My Compensation** tile in the middle of the screen or within the **Navbar** located in **CU Resources** under **My Info and Pay**.
2. You'll be prompted to verify your identity via our [authentication tool](#), which ensures your direct deposit bank account information is safe.

**Enter time worked and/or time off.**
Use the **My Info and Pay** menu under the **CU Resources** area of the **NavBar** to access **My Leave**. Or access **My Leave** in the middle of the screen by clicking on the **Request Leave/Record Time** button.

**Update my address.**
Employee Profile

Branching off from Employee Dashboard:
- Additional Information
- Contact Details
- Direct Deposit
- Disability Info
- Electronic Consent
- Emergency Contacts

Further options:
- Ethnicity
- My Leave
- Pay Advice
- Veteran Info
- W-2
- W-4
Use the menu within the My Info tile to update your email and mailing addresses, and other personal information. You can also access the Employee Profile link under My Info and Pay in the CU Resources menu located in the NavBar.

**Update personal details such as ethnic group, disability or veteran status.**

To update your ethnic group, disability and veteran status you must access the Personal Details page. There are two ways to do this:

1. Use the My Info button on the portal homepage then select Employee Profile from the menu.
2. Access the Employee Profile page by using the following navigational path: **NavBar** > **CU Resources** > **My Info and Pay** > **Employee Profile**.
When the **Personal Details** page loads, you can update your information by selecting **Ethnic Groups, Disability** and **Veteran Status** from the left-hand menu.

Change the amount of taxes withheld from my paycheck.
Use the **W-4** link within the **My Info and Pay** menu located in the **CU Resources** section of the **NavBar** or within the **My Compensation** tile menu to update your tax-withholding preferences. You'll verify your identity through our [authentication tool](#), which ensures your private information is secure.

**Please note:** If you're a new international employee, you cannot complete this form without first meeting with an international tax specialist. [Learn more](#).

**Find my W-2 tax form.**
Access your W-2 tax form in the NavBar to the CU Resource's section to find My Info and Pay menu's W-2 link. You may also access the W-2 link within the My Compensation tile in the middle of the screen.

Take required online training.
Training

- Start SkillSoft

- Lynda.com

- Resources

- Training Summary

- Professional Development
Access courses through CU's online learning management tool, SkillSoft, through the Training menu in the CU Resources section of the NavBar.

View my health and wellness coverage.

Review your benefits selections via the options in the Benefits and Wellness menu under the CU Resources area of the NavBar. or the My Medical Provider tile in the middle of the screen.

If you're a supervisor, the portal has a few features to help you complete important tasks.

Approve actions and requests.
The new approvals notification bar appears at the top of your screen whenever there's an action or request awaiting your approval. You'll receive these notifications for the following items:

- leave requests
- timesheets
- electronic personnel action requests (ePAR)
- payroll expense transfers

**Get immediate alerts to help manage employees.**

The portal now features a Manager tile, which alerts you that the following employee information requires your attention.

**Assign a proxy.**

The Assign a Proxy tool allows you to assign someone to approve actions or requests on your behalf—whether or not you have access to Human Capital Management (HCM).
You can request a proxy—to back you up on such actions as completing transactions and approving requests—by completing a form in the CU Resources section of the portal. Just select the Assign a Proxy link from the Manager dropdown menu. You can use this step-by-step guide [5] to walk through the process.
