Dental Plan [1]

CU Health Plan - Dental Premier is only available to Medicare-eligible surviving spouses and dependent(s) and gives its members access to the Delta Preferred Provider Option (PPO) and Premier networks. You can still choose any dentist you like, but your out-of-pocket costs are typically lower with PPO network providers.

Once you meet your $25 per person plan deductible, you will only be responsible for a percentage of your covered care costs (aka coinsurance).
