

## **High Deductible** <sup>[1]</sup>

**The High Deductible plan pairs with Medicare for an over/under option for situations when at least one member is eligible for Medicare and at least one other member is not.**

### **Over/Under Basics**

- The member(s) eligible for Medicare must enroll in the CU Medicare (must be enrolled in Medicare Part A and Part B) and the member(s) not Medicare-eligible must enroll in the High Deductible Plan.
- Although the CU Medicare and High Deductible are two different plans, the premiums are bundled. See your [rate sheet](#) <sup>[2]</sup> for pricing details.
- Over/Under plans have different plan years:
  - The Medicare Plan year runs from Jan. 1 to Dec. 31.
  - The HDHP Plan year runs from July 1 to June 30.
    - **Please Note:** Your Open Enrollment period is determined by the age of the retiree.
- You cannot contribute to a Health Savings Account (HSA) once enrolled in Medicare.
- If you are considering this option, please review details of the both Medicare and High Deductible Plans.
