

High Deductible [1]

The High Deductible plan pairs with Medicare for an over/under option for situations when at least one member is eligible for Medicare and at least one other member is not.

Over/Under Basics

- The member(s) eligible for Medicare will be enrolled in the CU Medicare Plan (must be enrolled in Medicare Part A and Part B) and the member(s) not Medicare-eligible will be enrolled in the High Deductible Plan.
- Although the CU Medicare and High Deductible are two different plans, the premiums are bundled. See your [rate sheet](#) [2] for pricing details.
 - Rates for this plan are subject to change July 1 when the CU Health Plan - High Deductible plan rates change.

About the High Deductible plan

This Anthem-administered plan gives you broad access to health care services inside and outside your [network](#)[Network](#)[The facilities, providers and suppliers with whom your health insurer or plan has contracted to provide health care services](#) [3] — but requires that you first meet your deductible.

Once you've satisfied the deductible, you'll be responsible for paying [coinsurance](#)[Coinsurance](#)[The portion of expenses that you have to pay for certain covered services, calculated as a percentage](#). For example, if the coinsurance rate is 20%, then you are responsible for paying 20% of the bill, and the insurance company will pay 80%. [4] For care. This plan offers Anthem's nationwide [network](#)[Network](#)[The facilities, providers and suppliers with whom your health insurer or plan has contracted to provide health care services](#) [3] of providers and facilities. You'll also have the flexibility to schedule your own appointments with [specialists](#)[Specialist](#)[A physician specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions](#). A non-physician specialist is a provider who has more training in a specific area of health care. [5] — no Primary Care Provider[Primary Care Provider \(PCP\)](#)[A physician \(medical doctor or doctor of osteopathic medicine\), nurse practitioner, clinical nurse specialist or physician assistant, as allowed under state law, who provides, coordinates or helps a patient access a range of health care services](#) [6] or [referrals](#)[Referral](#)[A written order from your primary care provider for you to see a specialist or receive certain health care services for any covered service that cannot be performed by your primary care provider. This applies to our Anthem Exclusive and Kaiser plans](#). [7] needed.

This plan provides one no-cost preventative mental health visit per plan year. Learn more about your mental health benefit options on our [Mental Health Resources page](#) ^[8].
