Skillsoft is more than just compliance training.

Skillsoft hosts thousands of online courses including required training, custom courses, instructor-led training (ILT) registrations, as well as online books and videos covering the latest professional topics.

Coming Soon: We are upgrading to Skillsoft’s new LMS, Percipio, in 2024! We will update this page as more information becomes available.

Features

- Complete the required employee and system-access training.
- Manage and enroll in ILT sessions.
- Complete Business and IT professional certifications.
- View and print your personal transcript.
- Completions report to HCM and CIW for CU-SIS records.
- Over 25,000 eBooks available 24x7
  - To access the latest titles, search for your topic of interest in Skillsoft and select the Books tab to find related eBooks.
