

Collaborative HR Services ^[1]

What's in a name? In our case, everything you need to know about us.

We collaborate closely with campus HR teams throughout the CU system. We strive to bring a human touch and sense of humanity to all we do. Our overarching goal is to provide the resources each employee needs for success. Finally, we are all about service. More specifically, we're here to serve you.

We strive to make the employee experience seamless from campus to campus. In other words, no matter where you are, you should be evaluated, hired and considered for advancement against the same standards.

We're happy to help you with any and all HR needs. Keep in mind, your campus may have its own guidelines and practices in place to serve its employees – if that's the case, we'll direct you to the right resource.
