

Employee Payroll ^[1]

The University of Colorado's Payroll Department works to ensure all employees are paid correctly and on time. This is completed through a team that continually works toward assisting employees and department payroll representatives.

All employees should set up a direct deposit to receive their pay. The most efficient way to do this to set up your direct deposit in the CU Resources tab of the employee portal ^[2].

For payroll information pertaining to you, start by selecting your employee type below:

Other employee types:

- International Employee ^[8]
- Medical Resident and Fellowships ^[9]
- Temporary Employee ^[10]
