Employee Payroll [1]

The University of Colorado's Payroll Department works to ensure all employees are paid correctly and on time.

All employees should set up a direct deposit to receive their pay. Visit the Self-Service section [2] for instructions on setting up your direct deposit, W-4, personal information and more.
There’s more to your pay than receiving a paycheck. Ensure you understand your finances by reading your paycheck correctly, reviewing pay days, learning how to safeguard against lost paychecks and more.
