You'll have access to Anthem’s nationwide network of physicians and facilities under this Anthem-administered plan. A Primary Care Physician is not required, and members can refer themselves to doctors of their choice within Anthem's network, including specialists.

There is no out-of-network coverage except for urgent and/or emergency care.

**Plan Details**

- CU Health Plan - Extended Benefits Coverage Summary
- CU Health Plan - Extended Benefits Booklet
- Anthem Preventative Care Guidelines
