# High Deductible [1]

The High Deductible plan pairs with Medicare for an over/under option for situations when at least one member is eligible for Medicare and at least one other member is not.

#### **Over/Under Basics**

- The member(s) eligible for Medicare must enroll in the CU Medicare (must be enrolled in Medicare Part A and Part B) and the member(s) not Medicare-eligible must enroll in the High Deductible Plan.
- Although the CU Medicare and High Deductible are two different plans, the premiums are bundled. See your rate sheet [2] for pricing details.
- Over/Under plans have different plan years:
  - o The Medicare Plan year runs from Jan. 1 to Dec. 31.
  - The HDHP Plan year runs from July 1 to June 30.
    - Please Note: Your Open Enrollment period is determined by the age of the retiree.
- You cannot contribute to a Health Savings Account (HSA) once enrolled in Medicare.
- If you are a considering this option, please review details of the both Medicare and High Deductible Plans.
