- CU Health Plan members may make changes to their medical, dental and vision plans, health care and dependent care flexible spending accounts, and enroll in short-term disability.
- Children’s Hospital Colorado is now an in-network provider on the CU Health Pathway Plan and some plan costs — like deductibles, out-of-pocket maximums and monthly premiums — are changing across all plans.
- No action is required if you would like to keep the same benefit choices (for medical, dental or vision).
- You **must re-enroll** ^[2] in your flexible spending account(s) if you want to keep them.
