Did you know?

CU Health Plan - Exclusive, CU Health Plan - Pathway and CU Health Plan - Kaiser have built-in vision coverage for eye exams only.

- CU Health Plan - Exclusive and CU Health Plan - Pathway cover a routine eye exam with a \$20 copay. Copayment (copay) A fixed-dollar amount that you must pay out of your pocket at the time of service to a provider or a facility for a specific health covered service. Copays do not apply to the deductible requirement. For example, an office visit may have a copay of \$30 under the Exclusive Plan and \$40 under the Extended. You must pay the amount at the time of service. [10] in-network along with savings for other services. This is a benefit bundled with each health plan. See details in the Benefits Coverage Summary for CU Health Plan - Exclusive and Pathway exam-only vision coverage summary [11] (2 pages).
- CU Health Plan - Kaiser covers routine vision exams and routine eye exams (eye refractions) provided by Kaiser network optometrists (\$30 copay) or ophthalmologists (\$40 copay) to determine the need for vision correction and to provide a prescription for eyeglasses or contact lenses are covered. See page 60 of the CU Health Plan - Kaiser benefits booklet for details. [12]
