### **2026–27 plan year information**

This page provides details about the **2026–27 benefits plan year**. For plan year 2025–26 (ending June 30, 2026) information, visit the [Benefits & Wellness page](#) <sup>[2]</sup>.

**This 2026–27 Kaiser-administered plan allows you to choose any health care provider within a single statewide network. The facilities, providers and suppliers with whom your health insurer or plan has contracted to provide health care services** <sup>[3]</sup>.

It is recommended that you select a [primary care physician](#) [Primary Care Provider \(PCP\)](#). A physician (medical doctor or doctor of osteopathic medicine), nurse practitioner, clinical nurse specialist or physician assistant, as allowed under state law, who provides, coordinates or helps a patient access a range of health care services <sup>[4]</sup> to direct your care. In most cases, [referrals](#) [Referral](#) A written order from your primary care provider for you to see a specialist or receive certain health care services for any covered service that cannot be performed by your primary care provider. This applies to our Anthem Exclusive and Kaiser plans. <sup>[5]</sup> are required but you may self-refer to certain specialists.

In place of a deductible, you will be responsible for a [copay](#) [Copayment \(copay\)](#) A fixed-dollar amount that you must pay out of your pocket at the time of service to a provider or a facility for a specific health covered service. Copays do not apply to the deductible requirement. For example, an office visit may have a copay of \$30 under the Exclusive Plan and \$40 under the Extended. You must pay the amount at the time of service. <sup>[6]</sup> for medical visits, diagnostic testing and hospital/facilities services. [Out-of-network](#) [Out-of-Network](#) [Non-participating](#) providers or facilities that do not enter into a network agreement, usually resulting in higher out of pocket expenses to you. <sup>[7]</sup> care is not covered except for emergency and urgent care.

## Features & Considerations

**Plan type**

EPO Exclusive Provider Organization (EPO) A health care system designed to give you access to quality, cost-effective service. With an EPO, such as the case of our CU Health Plan Kaiser, you will have access to providers within the Kaiser Network. Your Primary Care Provider, in most cases, will manage and coordinate any care of a specialist you may need by providing you with a referral within the network. There are no out-of-network benefits with the exception of emergency care. <sup>[14]</sup> - Kaiser network

**Deductible - Kaiser Plan** An amount that you are required to pay before the plan will begin to reimburse for covered services. This plan has no deductible. <sup>[15]</sup>

\$0

**Out-of-pocket limit**  
**Out-of-Pocket Limit/Maximum (OMP)** The maximum amount of money you will pay for covered medical services during the plan year. These costs include deductibles, copays and coinsurance. This maximum is designed to protect you from catastrophic health care costs. After you reach this amount, the plan will pay 100% of the allowed amount. <sup>[16]</sup>

\$10,600/individual; \$21,200/family for in-network providers

**Office visit**

Primary care provider - \$30/visit  
SpecialistSpecialistA physician specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions. A non-physician specialist is a provider who has more training in a specific area of health care. <sup>[17]</sup> - \$40/visit  
Urgent care Urgent CareCare for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care <sup>[18]</sup> - \$30/visit

**Emergency care**Emergency CareA medical or behavioral health condition that must be treated at the emergency department of a hospital due to an illness, injury, symptom or condition severe enough to risk serious danger to your health (or, with respect to a pregnant woman, the health of her unborn child) if you didn't get medical attention. See where and when to get care. <sup>[19]</sup>
