Annual Leave Certification: Act by Aug. 31, 2025

Guided by the Board of Regents Policy [2], annual leave certification:

- Requires all leave-eligible employees who use My Leave and other time tracking systems to certify the accuracy of their leave.
- Requires managers to approve their employees' certification. This procedure helps identify errors and ensures balances are correct.

For full instructions, review the Annual Leave Certification guide. [3]

Having issues certifying your leave? <u>Clear your cache</u> [4]. It is also recommended to use one of three preferred browsers: Chrome, Firefox or Microsoft Edge.

Who to contact: To ensure timely leave certification help, please direct leave balance concerns to your supervisor or the HCM Service Center at <u>hcm_community@cu.edu</u> [5] or 303-860-4200 (option 2). **Do not contact the Employee Services Leave Team**.

Remember: State Sick Leave Certification

Employees whose only leave eligibility is the State Sick Leave will not need to certify.

Employees will only be asked to certify regular sick leave and vacation leave. Employees who earn State Sick Leave for one or more positions they hold will only need to certify regular sick leave and vacation leave if they have another position that offers such leave.
