Make sure you're ready for tax season.

Learn how to access and read your W-2, what to do if you haven't received one and more.

**Active employees: View and download your W-2**

Each year, your W-2 is mailed by Jan. 31 to the mailing address you have on file on the first week in January. The form can also be accessed digitally shortly after it’s mailed. Follow these steps to view yours:

1. Log into my.cu.edu [2].
2. Select the CU Resources tab. (CU System employees will skip this step.)
3. Select the CU Resources Home dropdown menu at the top, then select My Info and Pay.
4. Click the W-2 tile. The form contains personal information, so you must verify your identity [3] to access it.
5. Select the Year End Form link to view your W-2.

**Didn't receive your W-2?**

**Current employees:** Access your W-2 in the employee portal using the instructions below. Please do not submit a W-2 Reissue Request Form.

**Former employees:** Access your W-2 via the ADP portal. Please call Employee Services at 303-860-4200, option 2 for instructions.

**Student employees:** Recipients of stipends (scholarship, fellowships and grants) are expected to self-report amounts, if taxable, regardless of whether they are reported on a W-2.

**Request a new W-2**

If you need to request a new W-2, submit a W-2 Reissue Request Form. Before submitting a request, please read the information below.

**Working retirees**

As a working retiree, you have two W-2s in the employee portal. One for CU and one for CUR. If you send your W-2s to the IRS, **do not** send the two separate W-2s. Instead, send the W-2 with the combined CU and CUR information that was sent to your mailing address.

Only see two versions in the portal? Contact Employee Services at 303-860-4200, option 2 for instructions on accessing the combined W-2 in the ADP portal.
