5. Click the **Log in with the University of Colorado** button.
6. Select your campus and then log in using your CU credentials.

**Note:** Courses offered by other institutions, separate from the Coursera Learning Programs, may have associated costs.

## Join CU on Coursera and Coursera Consortium

*Have an existing Coursera account?*

- Ensure it is not linked to another organization (e.g., Facebook, Google, or Apple). Go to [Account Settings](#) [4] to see your linked organizations. Then, [de-link any other organizations from your Coursera account](#) [5].
  - Ensure your Coursera account uses your CU email address. If your Coursera account uses a different email address, go to [Account Settings](#) [4] and update your Coursera account to use your CU email. You can add or re-add your personal email address to your account later.
  - Log out of your Coursera account and close the browser.
- 

## Features

- Interactive videos and resources.
- A unique offering of CU curated courses over a variety of topics.
- Flexible and adaptive schedules taken at your own pace.
- Earn a verified and shareable certificate of achievement.
