Course	Audience	Description
CU: Budgeting for Clinical Trials	Required for all personnel at the University of Colorado Denver and CU Anschutz who are responsible for preparing budgets for clinical trial studies.	This 25-minute course provides an overview of the basic needs and procedures for preparing a clinical trial budget, with contact information for additional help. There are two follow-up courses held in person where specific budget questions can be answered. HCM Course Code: u00164 Start Course [3]
CU: CTSA11: Recruitment and Retention of Research Participants	Recommended for CU Anschutz and/or CHCO research professionals, particularly new hires, but is open to all professionals at any stage.	This 30-minute course explores effective strategies for recruiting and retaining participants in clinical research, while highlighting the CU resources available to support those efforts. HCM Course Code: u00284 Start Course [4]

Course	Audience	Description
CU: Clinical Research Professional Onboarding	This course is recommended for clinical research professionals at CU Anschutz.	This 30-minute clinical research onboarding course is designed to create a strong foundation for your clinical research career at CU. It provides the essential training, knowledge, and resources required to support compliance, research excellence, and professional development to prepare you for success in conducting clinical research across the institution. HCM Course Code: u60021 Start Course [5]
