## Clinical Research Courses [1]

## Return to the Courses page. [2]

Course	Audience	Description
CU: Budgeting for Clinical Trials	Required for all personnel at the University of Colorado Denver and CU Anschutz who are responsible for preparing budgets for clinical trial studies.	This 25-minute course provides an overview of the basic needs and procedures for preparing a clinical trial budget, with contact information for additional help. There are two follow-up courses held in person where specific budget questions can be answered.  HCM Course Code: u00164  Start Course [3]
CU: CTSA11: Recruitment and Retention of Research Participants	Recommended for CU Anschutz and/or CHCO research professionals, particularly new hires, but is open to all professionals at any stage.	This 30-minute course explores effective strategies for recruiting and retaining participants in clinical research, while highlighting the CU resources available to support those efforts.  HCM Course Code: u00284  Start Course [4]
