Grants & Contracts Courses [1]

Return to the Courses page. [2]

Course	Audience	Description
CU: Direct Charging to Sponsored Projects	Required for principal investigators at CU Denver. Recommended for all CU employees who are engaged in a federally funded grant or contract.	This 30-minute course covers what charges are allowable as direct costs and how to charge them. HCM Course Code: u00059 ? Start Course [4]
CU: ePER, electronic Personnel Effort Reporting	Required for every faculty and staff member working on a sponsored project. Effort reporting is a federal requirement for these employees.	This 45-minute course covers the importance of effort reporting, accessing and certifying your ePER, and new ePER features and procedures. HCM Course Code: u00055 Start Course [5]
CU: Research Administration for Faculty	Contact Shane Jernigan [6] for more information on this course.	This 90-minute course covers the process of applying, receiving, and administering sponsored funding. HCM Course Code: u00139
CU: OCG – eRA InfoEd Training	This training is intended for all staff who use eRA InfoEd to view sponsored project records.	This 60-minute course covers everything you need to know about using eRA InfoEd at the University of Colorado Boulder. In addition to establishing a baseline knowledge of how to search for and navigate records in InfoEd, this eCourse also provides tutorials to seek out specific sponsored project information, such as property records and subaward statuses, use the online PSR form, and navigate eRA InfoEd reports in CU-Data. HCM Course Code: u10016 Start Course [8]

Course	Audience	Description
CU: OCG - Lifecycle of a Sponsored Project	This training is intended for any staff who want basic awareness of how sponsored project administration works at CU Boulder.	This 20-minute course will guide participants through a basic overview of the sponsored project lifecycle at CU Boulder and highlights the vocabulary needed to understand sponsored project administration. HCM Course Code: u10015 Start Course [9]
CU: OCG – Research Administration at CU Boulder	This comprehensive course is for department research administrators who are new to CU Boulder.	This 180-minute course is co-hosted by the Office of Contracts and Grants and the Campus Controller's Office and covers CU Boulder business processes related to pre-award administration, post-award administration, and financial management of sponsored projects. HCM Course Code: u10017 Start Course [10]
CU: OCG – Sponsored Project Property	This comprehensive course is recommended for department research administrators who are new to CU Boulder.	This 60-minute course, hosted by the Office of Contracts and Grants, covers administrative topics throughout the lifecycle of sponsored project property and provides participants with the context and resources needed to be responsible stewards of sponsored project property. In each lesson, participants will have the opportunity to bookmark resources and apply the concepts covered in this course by engaging in interactive scenarios and activities. HCM Course Code: u10018 Start Course [11]

Course	Audience	Description
CU: Research Security and Integrity Overview	This comprehensive course is for all faculty, staff, students and research personnel at the University of Colorado Boulder.	This 30-minute course offered to ensure that all faculty, staff, students and research personnel at the University of Colorado Boulder understand the various aspects of university research compliance and are aware of the resources on campus available to assist. HCM Course Code: u10138 Start Course [12]
CU: Research Security Training	This comprehensive course is required for Senior/Key (or otherwise identified) Personnel on federal sponsored projects (NSF, DOE).	This 75-minute course provides sponsored project personnel at the University of Colorado Boulder with a foundational understanding of research security and to satisfy federal sponsor requirements for research security training. HCM Course Code: u10019 Start Course [13]
